## Connecting through our Story

since 1992

For more than 28 years, Mississippi Metropolitan Ballet has connected with audiences in central Mississippi through the power of dance. The pre-professional, non-profit ballet company brings beauty to life in our community through critically-acclaimed performances, a commitment to quality dance education, and an extensive outreach program that brings dance to children who are typically underserved by the arts.

Please consider partnering with us in the 2020-2021 season as we prepare to return to the theater and to offer selected performances virtually.

## The Power of Partnership

Partner with Mississippi Metropolitan Ballet in the upcoming season, and connect through the power of dance! Connect with the audience, the dancers and the community. From choreography and costumes to performance hall rental and props, the expenses associated with ballet productions are many. Although tuition and ticket sales off-set some of these expenses, Mississippi Metropolitan Ballet, a non-profit organization, depends on the support of friends, patrons and benefactors like you for operation and growth. This year will bring the added challenges of preparing for live as well as virtual performances.

As we continue to pursue our mission in these unprecedented times, your support is more important than ever and would be greatly appreciated!

MMB is a non-profit organization with a 501(c)(3) status. All donations are tax-deductible.
